

Date 27th August 2014

To Whom It May Concern:

Boelube Range

Caleb Management Services has completed an evaluation of the products listed below with respect to the presence of substances of very high concern (SVHCs) under the EU's REACH regulation (1907/2006). A full assessment of all component substances has been made, and it was concluded that the products as sold contain no substances currently listed on the ECHA website as SVHCs.
