

To Whom It May Concern:

Boelube Range

Caleb Management Services has completed an evaluation of the products listed below with respect to REACH compliance. All substances contained in Orelube's products do not require REACH pre-registration or registration for one or more of the following reasons.

1. They are registered/pre-registered by the manufacturer in the European Union and therefore exempt under REACH article 2(7)c
2. They are exempt from REACH registration by virtue of listing in Annex IV or by meeting the exemption criteria in Annex V
3. They are imported on behalf of Orelube into the EU in quantities of less than 1 tonne/year.
4. They are polymers of monomers registered by an actor up the supply chain and therefore exempt from the requirement to register under REACH Article 6(3)"
