

ORELUBE ET-S Oils

Food Grade Synthetic Lubricating Oils

**The Orelube Corporation**

Specialty Industrial Lubricants Since 1958

ET-S Oils are non-toxic, food grade synthetic lubricating oils manufactured using synthetic PAO fluids.

NSF Registered H1 lubricating oils for the lubrication of machinery used to produce, process, package and/or transport food, beverage and pharmaceuticals where incidental contact with product may occur.

All the components in ET-S Oils are in accordance with FDA regulation 21 CFR 178.3570 – Lubricants with incidental food contact.

- Wide operating temperature range
- Superior wear preventive properties
- High film strength and lubricity
- Superior low temperature lubrication
- Oxidation stability
